

Eligible organizations for participation in Erasmus+ School education - Call 2017:

1) Schools as sending and receiving organizations for **KA1 Mobility of School Education staff and as coordinators and partners for **KA2 Strategic Partnerships for schools only**:**

- Schools listed in the register of the Ministry of Education, Youth and Sports (<http://reiskol.msmt.cz>):
 - pre-primary schools, including special needs schools;
 - primary schools, including special needs schools and schools of art;
 - secondary schools, including the vocational secondary schools, special needs schools and schools of art.

2) The list of organizations eligible as consortium leaders for **KA1 Mobility of School Education Staff:**

- local/regional authorities: municipalities, federations of municipalities and regions as school authorities at the local and regional level;
- other school authorities, e.g. ministries, churches, etc. (with the “legal entity” status).

A consortium must comprise at least 3 organizations, the coordinator and at least two schools eligible for participation in KA1 Mobility of School Education Staff. The schools in the consortium must have an organizational link to the organization acting as consortium coordinator.

3) Any organisation with impact in the field of school education can participate as the coordinator and/or partner in the **KA2 Strategic partnership for other institutions in the field of school education.**
