### **TCA descripton**

#### **Themes and goals:**

The event has dual ambitions and will initially provide an opportunity for thematic exchange, inviting participants to share their own practices, goals and experiences of mobility and wider collaboration in the field of VET. Beyond this, participants will be encouraged to consider possible future partnerships and areas of collaboration, providing for increased and extended participation in Erasmus+ in 2020... and beyond.

#### **Expected results:**

Good practices for developing strategic internationalisation and partnerships. o Networking of organisations and sharing of ideas that might result in Erasmus+ applications.

#### **Important notes:**

Further information about the event will be available soon on the NA's webpage and EPALE (Electronic Platform for Adult Learning in Europe).

#### **Profile of participants:**

This event is aimed at individuals and organisations that are active in the field of VET, be they totally new to Erasmus+ or already having some experience in European mobility and/or partnership actions. Participants should already have an idea for transnational collaboration that they would like to further develop and progress at this event.
