

Eligible organizations for participation in Erasmus+ School education - Call 2020:

1) Schools as sending and receiving organizations for **KA1 Mobility of School Education staff and as coordinators and partners for **KA2 Strategic Partnerships - School exchange partnerships**:**

- Schools listed in the register of the Ministry of Education, Youth and Sports (<http://rejskol.msmt.cz>):
 - pre-primary schools, including special needs schools;
 - primary schools, including special needs schools and schools of art;
 - secondary schools, including the vocational secondary schools, special needs schools and schools of art.

2) The list of organizations eligible as consortium leaders for **KA1 Mobility of School Education Staff:**

- schools as defined in paragraph 1)
- local/regional authorities: municipalities, federations of municipalities and regions as school authorities at the local and regional level;
- other school authorities, e.g. ministries, churches, etc. (with the “legal entity” status).

A consortium must comprise at least 3 organizations, the coordinator and at least two schools eligible for participation in KA1 Mobility of School Education Staff. If the coordinator of the consortium is a school authority, the schools in the consortium must have an organizational link to the coordinator. If the coordinator of the consortium is a school, the justification for the formation of the consortium must be included in the project application, explaining the reasons for the formation of the consortium and the capacity of the coordinator to lead the project.

3) Schools and any other organisations with impact in the field of school education can participate as the coordinator and/or partner in the **KA2 Strategic partnership for other institutions in the field of school education.**
